

AGRICULTURE CAN
BE COMPLICATED.
LUCKILY WE'RE NOT.

WHEATLAND
TITLE COMPANY

27,000,000 acres.

And we cover every single one.

The Wheatland Title Company promise is simple: we promise to remain the most trusted title services provider in all 102 Illinois counties (this includes the 27 million acres of Illinois farmland).

Wheatland Title Company and our experienced team of searchers, examiners and closers can help work through the complexities of any agricultural land deal throughout Illinois.

Agriculture has always been integral to the identity of our great state, and our statewide professionals know how complicated the process of buying and selling farmland can get.

All parties involved in an agriculture deal deserve to have the best and most experienced professionals in the business working their deal.

From the initial title searches needed for the parcel to spearheading the closing process and offering the insurance that protects the buyer's property rights, Wheatland Title Company is the best choice for your agricultural land needs.
